► 20 years – \$20,000 appeal

2010 is the 20th anniversary of scholarship provision in East Timor, led by Arie van Klinken. The Foundation's appeal in 2010 is to raise \$20,000 towards this work. Since its launch in March we have raised in excess of \$8,000, which includes almost \$6,000 from the luncheon. This is a tax-deductible project and we commend you to give generously and help us reach our target by December.

► St Mary's Children's Home

Last year Timor Children's Foundation held a successful appeal raising money for Philomena to renovate the burnt out children's home in Dili. For the past three years she and the children have been living as refugees on the floor of church halls, manses, and wherever else 2 adults and up to 25 children could be accommodated. We are delighted to announce that the renovation work has been completed and Rev John Ruhle's family will be part of a team who are going over to celebrate this achievement in June. Many thanks to everyone who gave generously to this appeal. Look forward to John's update in the next newsletter.
